

Wholesale Service Delivery Contacts Guide

At Windstream, we know delivering solutions on-time is key to the success of your business and customers. Our goal is to ensure we consistently keep our commitments and provide timely communications throughout the order lifecycle.

For assistance with your in-progress order, please contact the Wholesale Services Delivery Center at **1-800-864-7188**.

If additional support is needed, the contacts provided below are available to assist. Please allow 2 hours for response before moving to the next level.
